Hi Jasmine,

I am sorry to bother you with this, I am wondering if I can skip out on this training due to an important Political meeting on the 18th? As Jesse pointed out in his email, it is an important meeting, and I do not feel comfortable letting my FO take it.

Thanks for your consideration,

Nathaniel

If you have FOs starting you are expected to be there. I am also asking that all chicago RODs be in attendance as well to keep a sense of normalcy. Let me know if you guys have any questions.
